DEVELOPMENT PROCESS

01

LEARN

We discuss and meet with you to learn all we can about your business.

02

DRAFT

You will get a draft plan for your website and we will work with you to create the text and images you need.

03

COLLABORATE

We then invite you to watch and provide feedback as your website is built.

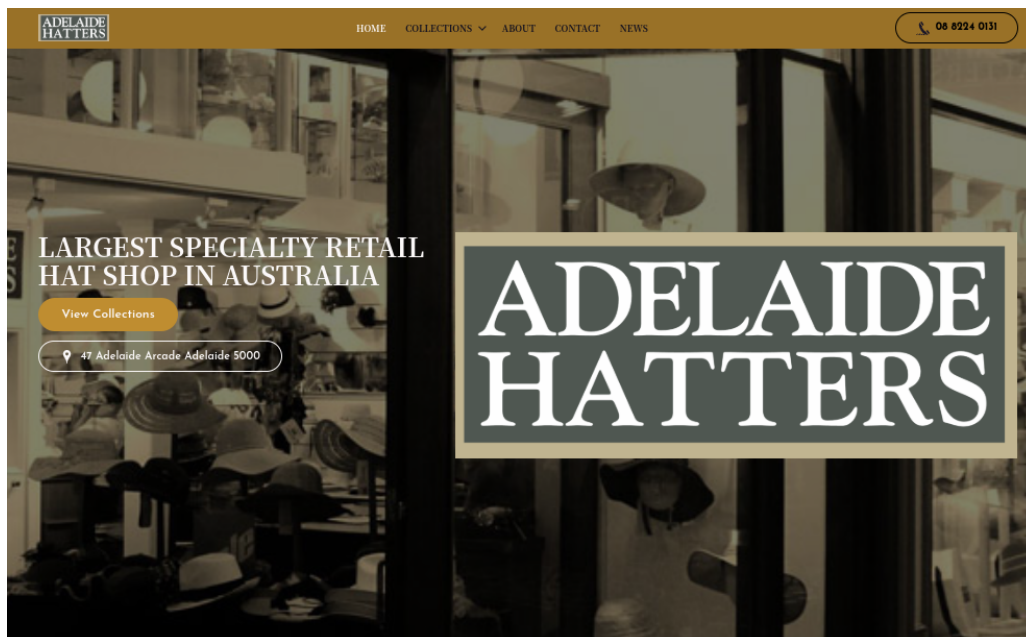

04

LAUNCH

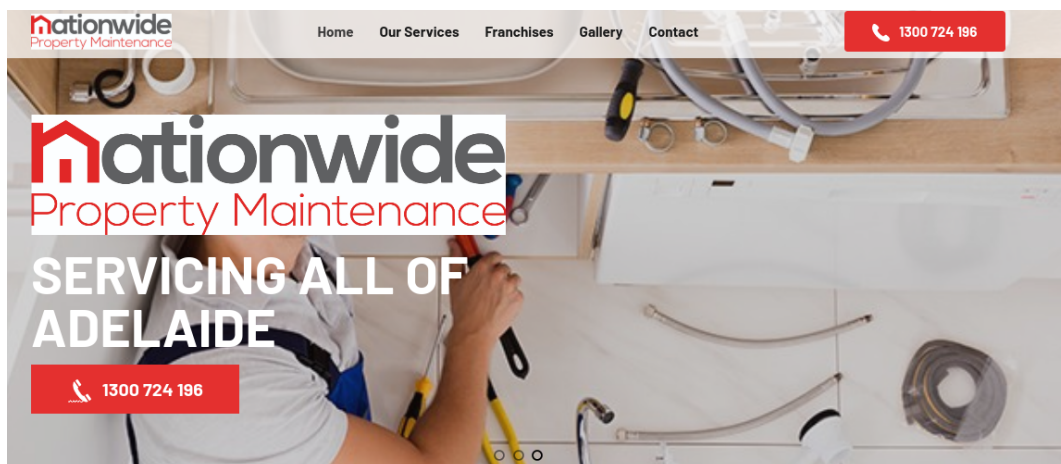

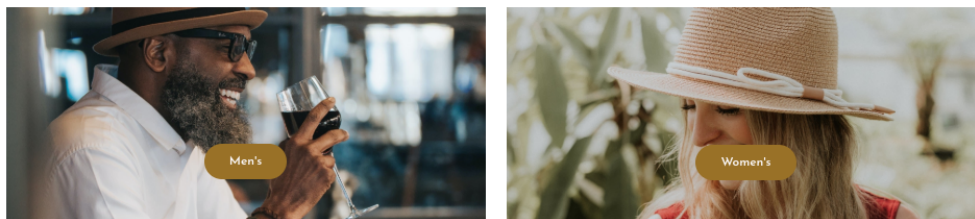

We will help you launch your new website. Optimising it for search engines, listing you on multiple directories and getting the word out to your customers.

Financial Planning and Investment Advice

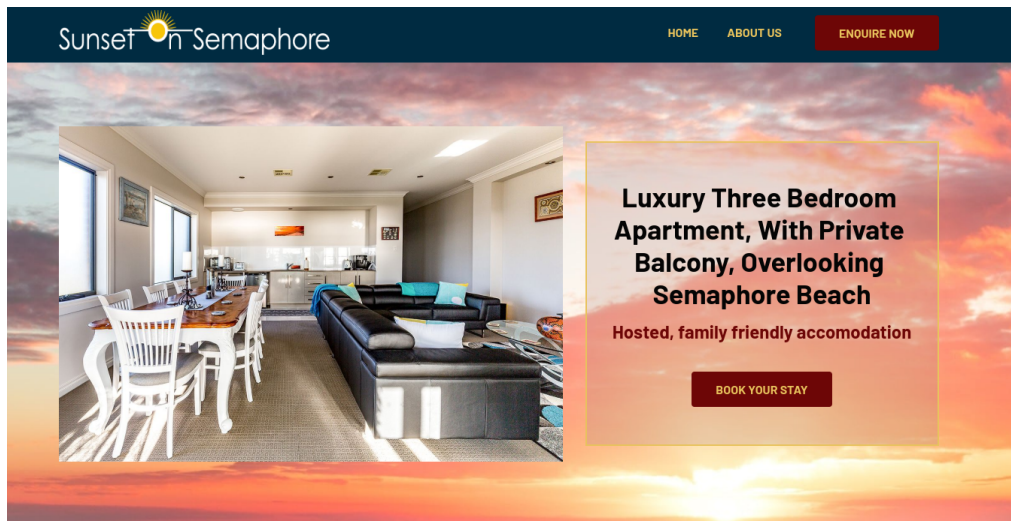

It's never too late or too early to think about your ongoing financial position and where you want to be in the future and in retirement. Life changes and your circumstances are unique so I aim to provide that unique and personalised service that will allow you to get on with your life knowing that your finances are protected and available.

Meet Sanjay Singh

Sanjay studied Accounting at UniSA whilst working at WBG Accountants. In 2000 Sanjay moved into financial planning and setup WBG's Financial Planning Arm of their business. Sanjay's business has grown into its own entity which also provides financing services to his clients. Sanjay played cricket and hockey for Adelaide University and has a keen interest in all sports. Sanjay is an avid writer and after studying journalism he uses these skills to comment and post articles on sports and finance.

HERE FOR THE LONG TERM

It doesn't matter if you have an existing website which needs replacing, a domain name with no website or you don't yet have a domain name we can build and host everything for you.

Evertrain Systems partners with Dreamscape Networks , the parent company of Australia's #1 domain brand Crazy Domains which puts your website in safe and sustainable hands for the life of your business.

Through our own Evertrain Domains portal you will have access to your site once completed and we can teach you how to make changes or we can do it for you.

It is your website and you are in control. We are here to help.

STILL NOT SURE?

Choosing a webdesigner and domain host is a big decision so don't take our word for it.

We have told you who our most recent clients are; visit their websites and contact them yourself. We are confident about the work we do and the service we provide.

We know our customers will give you the re-assurance you need.
